Important Rules & Procedures To Remember

- AMB/MyLaps (red) Transponders and One-Way Driver Radio (454.0000) must be used at all times
- If a driver is not in attendance at the drivers meeting during roll call, that driver will only receive one lap of qualifying and the best qualifyer 50% of the field +1
- All original starts will be side-by-side, pole car starts the race / Restarts will be Delaware Double File, except for the last 10 laps of the Feature
- Cars out of line or jumping a start will result in a caution and being penalized one (1) row
- Being involved as part of a caution means your wheels aren't turning
- If a car spins and creates a caution and you make contact and stop, you are also part of the caution
- If you spin to avoid, you'll get your spot back - If you spin and it creates a caution but you keep going, you will blend back in the lineup
- In any event less than 50 laps, you will be allowed two (2) cautions, after the 2nd caution, you may be parked
- In any event 50 laps or more, you will be allowed three (3) cautions, after the 3rd caution, you may be parked
- Hitting cars under caution or after a checkered flag will result in being parked for the balance of the event
- There will be a 10-minute horn for Hot Laps and the Feature ONLY
- All transponders must be turned after the event - you will not receive a check until it is returned
- No tires are to be left at the facility - ALL TIRES MUST GO HOME WITH YOU
